Docket No. CP2014-58

CHAIRMAN'S INFORMATION REQUEST NO. 1

(Issued July 22, 2014)

To clarify its filing in this case, the Postal Service is requested to provide written responses to the following question. Answers should be provided no later than July 25, 2014.

1. The financial workpapers submitted in this docket do not appear to model potential financial penalties that would apply under the FY 2015 EMS Cooperative Pay-for-Performance Plan if the Postal Service does not meet specified service features. Any financial penalties have the potential to reduce cost coverage for Inbound EMS 2.
 - a. Please confirm whether the financial workpapers include any modeling of potential financial pay-for-performance penalties as in similar filings from previous years. If they do include such modeling, please identify where it is located in the workpapers.
 - b. Please confirm whether the Postal Service received any financial penalties for Inbound EMS 2 in CY 2013 under the CY 2013 EMS Cooperative Pay-for-Performance Plan. If yes, please provide the Postal Service's EMS Cooperative Pay-for-Performance Report Card for CY 2013, CY 2014 Q1, and CY 2014 Q2 (if available).

- c. Please provide the CY 2015 EMS Cooperative Pay-for-Performance Plan that describes any potential financial penalties or bonuses to be applied to Inbound EMS 2 based on meeting specified service features in CY 2015. If this plan is not yet available, please provide the CY 2014 EMS Cooperative Pay-for-Performance Plan.

By the Chairman.
